LOCAL SERVICE CHAMPIONS

The Local Service Champions Awards shine a light on the invaluable work and contributions that local government workers do every day.

Every year you have the opportunity to nominate your colleagues to be Local Service Champions to ensure they get special recognition for their tireless work.

Local government staff are vital in holding our communities together and supporting us through various stages of our lives. If it wasn't for each and every one of them, our communities would suffer.

This is your opportunity to recognise and celebrate their contributions.
